EDWARD B. FORT  
Chancellor

December 7, 1984

To the Editors of AYANTEE:

The pursuit of excellence represents, for this administration, a centerpiece of activity associated with the delivery of quality for our students. Our role as faculty, administrators, and other staff is that of insuring that we, within the confines of resources provided by the State, the federal government and the private sectors - insure the preparation of our students for careers.

I want to congratulate the staff of AYANTEE for the tireless manner in which it has labored in the vineyard of production so as to complete this pictorial and narrative review of the accomplishments of our students - and their University - during the past twelve months. This volume serves to highlight, for another year, the unique history of the largest historically Black University in the State of North Carolina.

It is my fervent hope that as we continue to develop the programs, strategies and delivery systems designed to "make a difference" for students - unity of thought will prevail as we march into the corridors of endeavor constructed to guide our great University along a path of programmatic excellence. The challenges of today's society do not go unnoticed. My role as this Institution's leader is that of insuring that we have, on this campus, the resources and personnel equipped to meet these challenges. And, it is because of the superbness of our faculty and staff that we are, in fact, accommodating the University's mission.

Again - we congratulate you and your colleagues for the contribution which you make in relationship to the goals of this great University.

Sincerely,

A handwritten signature in black ink, appearing to read "Edward B. Fort".

## LIFT EVERY VOICE AND SING

Life every voice and Sing  
Fill Earth and Heaven Ring  
Ring with the harmonies of Liberty.  
Let our rejoicing rise  
High as the list'ning skies  
Let it resound loud as the rolling sea.

Sing a song, full of the Faith  
That the dark past has taught us.  
Sing a song, full of the Faith  
That the dark past has taught us.  
Sing a song, full of the Hope  
That the present has brought us.  
Facing the rising sun of our New Day begun.  
Let us march on, till victory is won.

Stony the road we've trod  
Bitter the chast'ning rod.  
Felt in the days when Hope unborn had died.  
Yet with a steady beat, have not our weary feet  
Come to the place for which our Fathers' sighed.

We have come over a way  
That with tears has been watered.  
We have come treading a bath  
Through the paths of the slaughtered.  
Out of a dreary past  
Till now we stand at last  
Where the white gleam of our bright star is cast.

God of our weary years  
God of our silent tears.  
Thou who hast brought us thus far on our way  
Thou who hast by thy might led us into the light  
Keep us forever in thy paths we pray.

# A BRIEF STATEMENT ABOUT THE DEAN

Albert Westley Spruill was born on his parents' farm on Route 1, Columbia, North Carolina. As a youngster, he developed a fondness for the great out-of-doors. Any setting augmented by the fantastic beauty of nature became his great obsession so North Carolina A. and T. State would grow on him as he entered the urban sector. He attended the public schools of Tyrrell County and graduated from the Tyrrell County Training School as valedictorian of his class. Upon graduation from high school, he was awarded the James Hardy Dillard Memorial Scholarship by the Southern Education Foundation in competition with students from seventeen Southern states.

In 1944, Spruill entered the North Carolina A. and T. State University (then College) where he had often come as a high school pupil to attend the annual meetings of the State Association of New Farmers of America (now FFA). Awed with the College, he made a commitment to live life to the fullest in the collegiate setting and held class presidencies, became involved in dramatics, religious life, and specialty organizations. When he graduated in 1949 as President of the Senior Class, Spruill was awarded the coveted Gate City Alumni Award presented annually to the student rendering the most constructive service in interpreting the ideals of the college to the college community. Immediately after college, he served one year in the North Carolina Agricultural Extension Service as a county agent in Jones County, North Carolina.

Spruill entered Iowa State College (now University) in 1950 and received the Master of Science from that school in 1951 in vocational education and technical journalism. He was employed briefly at Mississippi Vocational College (now Valley State) as director of agriculture. The next year, the Tyrrell County native was employed at Tuskegee Institute as a teacher/trainer in agricultural education. Tapped by Tuskegee for doctorate study and to return as head of the department, Spruill was awarded a General Education Board Fellowship to study at Cornell University.

After completion of his course work for the doctorate in 1955, Spruill signed on at North Carolina A. and T. State as an instructor and subsequently climbed the ranks to professor of graduate education by 1961. He had received the doctorate degree in 1958 from "High Above Cayuga's Waters", or Cornell University. From 1961 to 1970, Professor Spruill taught education courses in foundations of education, curriculum and research to both undergraduate and graduate students. In 1970, he was elevated to the deanship of the School of Graduate Studies where he continued to profess in his specialty in the classroom.

A prolific writer and public speaker, Al Spruill has published in the Negro Digest, the Educational Forum, Negro Achievement Magazine, the Journal of Negro

Education and in the Proceedings of the Council of Graduate Schools in the United States. He has edited for a number of years a free lance column in the Carolina Peacemaker titled "Looking In on Higher Education". With specials to the Peacemaker, it is estimated that he has penned nearly 800 articles. In 1964, he wrote Great Recollections From Aggieland, a cultural history of North Carolina A. and T. State University, was honoree for the 1965 AYANTEE yearbook, the Fellowship Council Award, and numerous other honors. Iowa State University bestowed upon Professor Spruill its prestigious Alumni Merit Award in June, 1982.

Dean Spruill is currently a member of the Black Conference of Graduate Schools, where he is president-elect, the Southern Conference of Graduate Schools which he has served as vice-president and president and now on the Committee on Issues and Policies and the Southern Association of Land-Grant Colleges and State Universities where he serves as secretary-treasurer. He is a member of the Council of Graduate Schools in the United States and is currently serving on the Task Force on Issues Relevant to Masters Degree Granting Schools.

"AGGIE PRIDE"

---

Richard B. Harrison Auditorium

Wednesday, October 3, 1984

10:00 A.M.

THE VOLLEYBALL, CROSS COUNTRY, AND FOOTBALL TEAMS WERE INTRODUCED AT THE CONVOCATION. HEAD FOOTBALL COACH MO FORTE PREDICTED THAT THE FOOTBALL TEAM AND AGGIES WILL "DRINK FROM THE VICTORY CUP." OTHER PLATFORM GUESTS WERE, CHOIRS AND THE UNIVERSITY BAND. DR. SULLIVAN WELBORNE'S MESSAGE WAS INSPIRING, INFORMATIVE, AND PROVOCATIVE. "A TRUE AGGIE WILL DEFEND, SUPPORT, ENHANCE, PROTECT, ADORE, AND, MOST IMPORTANTLY WHEN THE CHIPS ARE DOWN, WILL STAND UP FOR A&T." HIS THEME BROUGHT THOSE IN ATTENDANCE A QUESTION...

"WILL THE REAL AGGIE  
PLEASE STAND UP?"

## G. How to Enter an Intramural Sport

- I. Check the Memorial Union, Dining Halls, Moore Gym and Corbett Sports Center bulletin boards for intramural sports information sheets, which precede each sport for exact dates and time or activities.
- II. For all sports, secure entry blanks from the intramural office.
- III. Check on the eligibility of your team personnel by consulting your intramural guidelines.
- IV. List the names, phone numbers and addresses of team members and have each player's signature as noted on the roster.
- V. Only individual and dual sports entries will be accepted at the intramural office. Team entries will only be accepted at an entry meeting held before the start of that sport. Check the sports information sheet for the times and locations of these meetings.
- VI. If you do not wish to organize a team but wish to play on one, contact any of the team coordinators. If you are unable to find a team coordinator, contact the intramural office.

## ALMA MATER

Dear A. and T., dear A. and T., a monument indeed,  
Around thy base with grateful hearts behold thy students kneel.  
We bless the power that gave thee birth to help us in our need,  
We'll ever strive while here on earth all loyalty to yield.

## REFRAIN

With joy, with joy, dear A. and T., thy students turn from thee  
To spread thy trophies year by year from Dare to Cherokee.

Dear A. and T., dear A. and T., the signet thou shalt be  
Set by our great old commonwealth, proud boaster of the free;  
She'd have the record of her worth on granite not inscribed—  
Nay, let the children of her birth proclaim it by their lives.

Dear A. and T., dear A. and T., henceforth our aim shall be,  
By precepts wise and deeds more sure to bless the State through thee;  
The arts of industry to wield against an idle foe.  
A harvest rich from ripened fields of what thy students sow.

# ALPHA PHI ALPHA FRATERNITY, INC.

The object of Alpha Phi Alpha is to stimulate the ambition of its members; to prepare them for the greatest usefulness in the cause of humanity, freedom and dignity of the individual; to encourage the highest and noblest form of manhood to aid down-trodden humanity in its efforts to achieve higher social economic and intellectual status; thus creating a most unforgettable motto "First of all servants of all, we shall transcend all."

We, the brothers of Beta Epsilon, the reigning National Undergraduate Chapter of the year, have worked endlessly in supporting a program that has upheld the aims and aspirations of our great fraternity.

## CONTINUOUS LEADERSHIP OF HIGH QUALITY

Veteran North Carolina political leader, Associate Justice Henry E. Frye, first black member elected to the North Carolina State Supreme Court, enjoyed a busy weekend.

Frye, who lives in Greensboro and who is a graduate of A&T State University, was sworn in as an associate justice for a term of eight years. He polled more than a million votes in last November's election to win the position. He had originally been appointed by North Carolina Governor James B. Hunt to complete a term of Justice Phil Carlton.

Frye was sworn in before a crowd of relatives and friends gathered in the Old Guilford County courthouse. Administering the oath was U.S. District Court Judge Richard C. Erwin. Superior Court Judge W. Douglas Albright presided over the ceremony.

Frye, a native of Ellerbe and also a graduate of the University of North Carolina Law School, was a major participant in the inauguration of Jim Martin as the new governor of North Carolina. Frye swore in members of the council of State, including Agriculture Commissioner Jim Graham and Attorney General Lacy Thornburg.

Frye is the most successful black politician in the history of the state. He served six terms in the N.C. House of representatives and one term in the N.C. Senate. In addition, he chaired the Judiciary Committee in both House and Senate and the powerful Senate Appropriations Committee on Education. He also served on the Advisory Budget Committee.

COEFIELD

ALPHON COEFIELD, a native of Kinston, NC, earned four varsity letters in football during his career at AAT. He was named captain of the 1938 team; a year later, he retained that role and helped lead the Aggies to the Central Intercollegiate Athletic Conference (CIAA) Championship.

Coefield went on to enjoy an equally successful career as an AAT graduate. Soon after his graduation, he was named athletic director for the City of Greensboro. He held that position for two years and afterward became head football coach at Logan High School of Concord, NC.

After being named Logan's athletic director in 1943, Coefield became head football coach of Concord High School in 1965. He held that position for one year before becoming head basketball coach and chairman of the department of physical education at Babersville College also of Concord.

Coefield who still resides in Concord is currently football and track coach at West Charlotte High School in Charlotte, NC.

GEORGE "BIG CITY" GREEN started in baseball for four years from 1937 to 1940, alternating as a pitcher and second baseman. His success at AAT was the extension of a stand-out prep career at Hawkins High School of Warrenton, NC, where he lettered in baseball, basketball, football and was captain of the baseball team.

After a tour of duty in the United States Army, Green began teaching physical education in the public school system in Newport News, VA in 1946. Four years later, he was named Education Specialist for the City of Newport News.

Green also was a CIAA official in football, basketball and track for a number of years. In 1970, the Newport News School Board honored Green with a George S. Green Field Day in recognition for his work with special children.

SAMUEL HODGES JR., who lives in Greensboro, NC, made a significant contribution to the 1937 squad that captured the CIAA invitation championship. Hodges played two impressive years as a forward.

Hodges has been extremely active in civic and community organizations during much of his professional career, having held membership in the Boy Scouts of America, the YMCA and the Greensboro Retarded Citizens Association. He was recognized as "Senior Citizen of the Month" in 1977.

Hodges also has several publications to his credit.

REV. USSE JACKSON was graduated from AAT in 1974. As an Aggie football player, he built a reputation as a stand-out player and runner with profound leadership ability. These attributes gained for him the admiration and respect from his teammates and classmates and he was elected president of the Student Government Association.

After leaving AAT, he became a valued aide of the late Dr. Martin Luther King Jr. in Chicago, IL, where a champion for human rights, he the founder of Operation PUSH (People United to Save Humanity) in Chicago. Jackson most recently made a serious bid for the Democratic nomination for the President of the United States and a member of the SCLC Board of Trustees. His success is unparalleled in the annals of the history of AAT.

GEORGE FLOYD was a key player on CIAA Championship football teams in 1947 and 1948. His fielding wizardry and hitting ability earned him four consecutive varsity letters. He also claimed back-to-back conference honors.

The recipient of a Bachelor of Science degree in physical education and history from AAT in 1930, Floyd served six years as a teacher and coach in the Warren County School System. In 1936, he was named principal at R.A. Clement High School. He has been principal at West Rowan Junior High School since 1969.

Floyd also has been the recipient of the AAT Distinguished Service Award. He currently resides in Lenoir, NC.

ROBERT LEE WATKINS had a brilliant career, starting in high school for the Aggies, including football, baseball and boxing.

As a football standout, Watkins played in different positions. He was a quarterback, punter, return specialist, cornerback, safety, tight end and defensive end. In 1946, he captained the Aggies as well as claiming honorable mention All-CIAA at defensive end. He also captained the boxing team during the 1946 season.

Earlier in his AAT career, in 1941, Watkins won the middleweight division in the 10th State National AAU Boxing Tournament held in Greensboro and previous events (including Saint Paul, Maine and Virginia). His victory in the tournament earned him a berth in the semifinals of the national tournament.

Watkins resides in Bloomfield, GA and has held the position of Director of Special Services for Bloomfield since 1971.

"Sweetly, Lord, have we heard The calling, Come, follow Me! And we see where Thy foot-prints falling Lead us to Thee. Foot-prints of Jesus, that make the pathway glow; We will follow the steps of Jesus where-e'er they go. Then at last, when on high He sees us, Our journey done, We will rest where the steps of Jesus End at His Throne." Oh they tell us of an un-cloudy day.
